

**CURRICULUM VITAE**  
**Michael Jeffrey Balick**

**THE NEW YORK  
BOTANICAL GARDEN**  
2900 Southern Blvd.  
Bronx, New York 10458 USA  
Tel. 718-817-8763

e-mail: [Mbalick@nybg.org](mailto:Mbalick@nybg.org)

---

**PROFESSIONAL POSITIONS**

- 1980-present Vice President for Botanical Science, Director and Senior Philecology Curator, Institute of Economic Botany (2007-present); Vice President & Chair, Research and Training, Director and Philecology Curator, Institute of Economic Botany (2000-2007); Associate Vice President & Chair, Research and Training (1999-2000); Director, Institute of Economic Botany (1990-present); Philecology Curator of Economic Botany (1989-present); Acting Director, Institute of Economic Botany (1988-1990); Executive Assistant to the President (1980-1989); Assistant Director, Institute of Economic Botany (1984-1988); Curator (1990-1998); Senior Curator (1998-present); Associate Curator (1988-1990); Assistant Curator, Herbarium (1980-1988), The New York Botanical Garden
- 2016-present Faculty, Integrative Medicine Fellowship Program, University of Arizona, Andrew Weil Center for Integrative Medicine.
- 1997-present Adjunct Professor of Ecology, Evolution and Environmental Biology, Columbia University in the City of New York.
- 1982-present Adjunct Professor, Department of Plant Sciences, City University of New York.
- 2008-present Adjunct Professor, Department of Biology, Fordham University  
2013-2015 Associate, Harvard University Herbaria
- 2002-present Research Associate, National Tropical Botanical Garden, Kalaheo, Kauai, Hawaii
- 1997-2003 Adjunct Visiting Professor, New York University, Department of Biology.
- 1983-2004 Adjunct Professor, School of Forestry and Environmental Studies, Yale University (1992-2004); lecturer in Tropical Studies (1983-1992).
- 1999 Visiting Scholar, Green College [now Green Templeton College], University of Oxford, UK (summer).
- 1990-1995 Honorary Research Associate, La Salle Foundation, Caracas, Venezuela.
- 1980-1986 Research Associate in Plant Domestication, Botanical Museum of Harvard University.
- 1979 Research Assistant, Agribusiness Associates, Inc., Wellesley Hills, Massachusetts (summer).

- 1977 Curatorial Assistant, Economic Herbarium of Oakes Ames, Botanical Museum of Harvard University.
- 1975 Research Fellow in Tropical Horticulture and Economic Botany, Las Cruces Tropical Botanical Garden, Costa Rica. Sponsored by The Organization for Tropical Studies.
- 1974 Intern, The Henry Foundation for Botanical Research, Gladwyne, Pennsylvania (summer).
- 1970 Intern, Winterthur Gardens, Winterthur, Delaware (summer).

**UNIVERSITY EDUCATION**

- 1976-1980 Harvard University, Ph.D. in Biology; Harvard Graduate School of Business (3 semesters of course work); Certificate, Harvard Introduction to Business Program for Ph.D.'s; course work also taken at Harvard School of Public Health.
- 1975-1976 Harvard University, A.M. in Biology.
- 1972-1973 Tel Aviv University, Junior Year Abroad Program in Biology and Humanities.
- 1970-1975 University of Delaware, B.Sc. with Honors in Agriculture and Plant Science.

**WIKIPEDIA SITE:** [HTTPS://EN.WIKIPEDIA.ORG/WIKI/MICHAEL JEFFREY BALICK](https://en.wikipedia.org/wiki/Michael_Jeffrey_Balick)

**FIELDWORK AND RESEARCH EXPERIENCE**

- 2019 Melanesia: Vanuatu: Ethnobotany and Floristics (August)
- 2019 Micronesia: Palau: Ethnobotany (March-April)
- 2018 Melanesia: Vanuatu: Ethnobotany and Floristics (November-December)
- 2018 Melanesia: Vanuatu: Ethnobotany and Floristics (August)
- 2018 Micronesia: Palau: Ethnobotany (March)
- 2017 Melanesia: Vanuatu: Ethnobotany and Floristics (November-December)
- 2017 Melanesia: Vanuatu: Ethnobotany and Floristics (July-August)
- 2017 Micronesia: Palau: Ethnobotany (January-February)
- 2016 Melanesia: Vanuatu: Ethnobotany and Floristics (November-December)
- 2016 Melanesia: Vanuatu: Ethnobotany and Floristics (April)
- 2015 Melanesia: Vanuatu: Ethnobotany and Floristics (November-December)
- 2015 Jordan: Ethnobotany (September)
- 2015 Melanesia: Vanuatu: Ethnobotany and Floristics (March)
- 2014 Micronesia: Palau: Ethnobotany (November)
- 2014 Melanesia: Vanuatu: Ethnobotany and Floristics (June)
- 2013 Micronesia: Palau: Floristics (November)
- 2013 Melanesia: Vanuatu: Ethnobotany and Floristics (September-October)
- 2013 Melanesia: Vanuatu: Ethnobotany and Floristics (February-March)
- 2012 Micronesia: Palau: Ethnomedical Studies (September-October, November)

2012 Micronesia: Palau: Ethnomedical Studies (March-April)  
 2011 Micronesia: Pohnpei: NSF-Sponsored Conservation Workshop (September)  
 2011 Micronesia: Palau: Ethnomedical Studies (September)  
 2011 Micronesia: Palau: Ethnomedical Studies (June)  
 2010 Micronesia: Palau: Ethnomedical Studies (October - November)  
 2010 Costa Rica: Studies of Medicinal Plants (February)  
 2009 Micronesia: Pohnpei: Ethnobotany and Floristics (February-March)  
 2008 Micronesia: Palau: Ethnobotany and Floristics (July-August)  
 2008 Micronesia: Palau: Ethnobotany and Floristics (January)  
 2007 Micronesia: Pohnpei: Ethnobotany and Floristics (November-December)  
 2007 Micronesia: Palau: Ethnobotany and Floristics (July-August)  
 2006 Micronesia: Palau, Yap, Pohnpei: Ethnobotany and Floristics (August-September)  
 2006 Micronesia: Kosrae, Pohnpei: Ethnobotany and Floristics (May-June)  
 2005 Micronesia: Palau, Pohnpei: Ethnobotany and Floristics (October)  
 2005 Micronesia: Kosrae, Pohnpei, Palau: Ethnobotany and Floristics (January-February)  
 2005 Belize: Ethnobotany and Floristics (September)  
 2004 Micronesia: Pohnpei. Ethnobotany and Floristics (August)  
 2003 Belize: Ethnobotany (January)  
 2003 Micronesia: Pohnpei. Ethnobotany and Floristics (August)  
 2002 Micronesia: Pohnpei, Pingelap, Mokil: Ethnobotany and Floristics (August)  
 2001 Micronesia: Palau, Pohnpei: Ethnobotany and Floristics (August)  
 2001 Belize: Ethnobotanical Studies (March)  
 2000 Micronesia: Kosrae, Pohnpei: Ethnobotany and Floristics (August-September)  
 1999 Micronesia: Kosrae, Pohnpei: Ethnobotany and Floristics (August-September)  
 1998 Micronesia: Guam, Palau, Kosrae, Pohnpei: Ethnobotany and Floristics (August-September)  
 1998 China: Traditional Healing (July)  
 1997 Micronesia: Ethnobotany and Floristics (August-September)  
 1997 Brazil: Maranhão. Studies of the Babassu Palm (November)  
 1997 Belize: Ethnobotanical Studies (May)  
 1997 Sri Lanka: Ayurvedic Medicinal Plants (January)  
 1996 Sri Lanka: Ayurvedic Medicinal Plants (November)  
 1996 Brazil: Maranhão. Studies of the Babassu Palm  
 1995 Belize: Ethnobotanical Studies (July)  
 1995 India: Ayurvedic Medicinal Plants, Pune (January)  
 1995 Belize: Ethnobotanical Studies (May)  
 1994 Belize: Punta Gorda, Kekchi Ethnobotanical Studies (November-December)  
 1994 India: Ayurvedic Medicinal )Plants, Kerala (February-March)  
 1994 Belize: Video Archival Project (June)  
 1994 Belize: Ethnobotanical Studies (April)  
 1993 Brazil: Maranhão, Tocantins. Studies of *Orbignya* palms (November-December)  
 1993 Belize: Punta Gorda. Kekchi ethnobotanical studies (March-April)  
 1992 Belize: Cayo District. Ethnobotanical Studies (September)

- 1992 Thailand: Northern Provinces. Ethnobotanical Studies (December)
- 1992 Belize: Cayo and Corozal Districts. Ethnobotanical Studies (March)
- 1991 Belize: Cayo District. Forest Inventory of Native Species Used as Medicinal Plants (May)
- 1990 Belize: Stann Creek. Ethnobotanical Studies in the Cockscomb Jaguar Preserve (May)
- 1990 Belize: Cayo District. Valuation of Tropical Forest as a Source of Medicinal Plants (August)
- 1990 Brazil: Maranhão, Goiás, Minas Gerais. Systematic Studies and Germplasm Collection of *Orbignya* (October)
- 1990 Belize: Cayo District. Ethnobotanical Studies, Medicinal Plants, Dooryard Gardens. Toledo District, Dolores Estate. Conservation assessment (January-February)
- 1989 Brazil: Maranhão. Studies of *Orbignya* palms and their utilization (December)
- 1989 Belize: Corozal and Orangewalk Districts. Ethnobotanical Studies (November)
- 1989 Belize: Cayo District, Vaca Plateau. Ethnobotanical Studies; Botanical Inventory (July-August)
- 1989 Haiti: Conservation Biology and Taxonomy of the Endangered Palm *Attalea crassipatha* (May-July)
- 1989 Belize: Caye Caulker, Ambergris Caye. Ethnobotanical Studies, Collection of Plant Samples for National Cancer Institute Screening Program (January-February)
- 1988 Brazil: Goiás, Matto Grosso. Studies of Brazilian Palms (November)
- 1988 Belize: Cayo. Ethnobotanical Studies in Cayo; Collection of Plant Samples for National Cancer Institute Screening Program (June)
- 1987 Belize: Cayo. Ethnobotanical Studies Among the Mopan, Maya Indians. Collection of *Orbignya cohune* germ plasm; collection of plant samples for National Cancer Institute screening program (July-November)
- 1987 Honduras: Colón, Atlantida, Comayagua. Collection of *Orbignya cohune* germ plasm; collection of plant samples for National Cancer Institute screening program (July)
- 1986 Brazil: Piauí, Goiás, Minas Gerais. Biological and Domestication Studies of *Orbignya* (January-February)
- 1985 Colombia: Chocó. Agroforestry Practices with *Jessenia bataua*
- 1984 Brazil: Goiás, Minas Gerais. Biological and Domestication Studies of *Orbignya* (October)
- 1983 Brazil: Ethnobotany of the Apinayé and Guajajara, and their Utilization of *Orbignya* (August-September)
- 1983 Mexico: Studies of the Distribution and Utilization of *Orbignya* spp., an Oil Yielding Group of Palms (March)
- 1981 Jamaica: Economic and Botanical Studies Concerning the Use of New Crops in Regional Development (August-September)
- 1981 Brazil: Pará, Goiás, Piauí, Maranhão. Biological and Domestication Studies of *Orbignya* (November-December)
- 1980 Bolivia: Biological and Domestication Studies of *Orbignya phalerata* (July-August)

1980	Venezuela: Identifying Sites for a Palm Germ Plasm Bank in the Orinoco Valley (July)
1980	England: Studies in Herbaria and Botanical Institutes (January)
1978	European Botanical Centers: Amsterdam, Leiden, Utrecht (Holland); West Berlin (Federal Republic of Germany) (August)
1978	Israel: Studies of Plant-Insect Interaction (August-September)
1977-1978	Amazonian Regions of Brazil, Peru, Ecuador, Colombia, Venezuela and Areas of Trinidad: Biological Studies of Palms and Other Useful Plants (October-May)
1976	The Northwest Amazon Valley and Llanos Regions of Colombia: Biological Studies of Palms and Other Useful Plants (July-September)
1976	Mexico: Studies of Fern-Anthropod Interaction (April)
1975	Costa Rica: Aspects of Tropical Slash and Burn Agriculture and Horticulture (February-July)
1973	Cultivation and Propagation of Native American Plants (June-August)
1972-1973	Israel: Floristic and Ethnobotanical Studies of All Major Phytogeographic Regions (August, 1972-July, 1973)

#### **PRINCIPAL INVESTIGATOR, CO-INVESTIGATOR, RESEARCH GRANTS & CONTRACTS**

2023-2025	Nia Tero: Forest Guardianship in Vanuatu. (Co-PI with G.M. Plunkett, PI)	\$263,798
2023-2025	Marisla Foundation: Ethnobotany and Floristics of Vanuatu.	\$60,000
2022-2024	National Science Foundation: Capacity: Biological Collections: Securing and Sharing Biocultural Diversity Collections at The New York Botanical Garden. (Co-PI with Matthew Pace)	\$424,728.
2022-2023	National Science Foundation: Collaborative Research: Plant and Fungal Diversity of Tafea Province, Vanuatu, A Threatened Pacific Hotspot Supplement (PI with G.M. Plunkett)	\$109,939
2021-2024	Velux Stiftung: Daylight, Culture and Plants in two Pacific Island Societies (PI with K. D. Harrison and G.M.Plunkett, Co-PI)	\$216,722
2020-2023	Franklinia Foundation: Conserving Vanuatu's Only Currently Known Critically Endangered Tree Species, with a Roadmap to Conserving Vanuatu's Poorly Understood Tree Flora (G.M.Plunkett, PI)	\$253,280
2019-2023	Marisla Foundation: Ethnobotany and Floristics of Southern Vanuatu, Tafea Province	\$80,000
2019-2020	Christensen Fund: Ethnobotany and Floristics of Southern Vanuatu, Tafea Province (Co-PI with G.M. Plunkett)	\$37,000
2018-2020	Christensen Fund: Ethnobotany and Floristics of Southern Vanuatu, Tafea Province (Co-PI with GM. Plunkett)	\$100,000
2018-2019	Gildea Foundation: Belize Bush Medicine Camp and Plants and People of Vanuatu Project	\$20,000
2018-2019	Marisla Foundation: Ethnobotany and Conservation in Palau	\$80,000

2016-2017	Marisla Foundation: Ethnobotany and Conservation in Palau	\$100,000
2016-2021	National Science Foundation: Collaborative Research: Plant and Fungal Diversity of Tafea Province, Vanuatu, A Threatened Pacific Hotspot (PI with G.M. Plunkett Co-PI)	\$1,294,759
2016	Gildea Foundation: Belize Bush Medicine Camp	\$12,000
2015	Gildea Foundation: Belize Bush Medicine Camp and Ethnobotanical Studies in Palau	\$22,000
2014-2017	National Institutes of Health: <i>In Silico</i> identification of Phytotherapies (Co-PI with W. Law, PI)	\$348,876
2014-2016	Critical Ecosystems Partnership Fund: Plants and People: Baseline Floristic and Ethnobotanical Surveys in Tafea Province Vanuatu (#64251)(Co-PI with G.M. Plunkett)	\$156,849
2014-2017	Christensen Fund: Ethnobotany and Floristics of Southern Vanuatu, Tafea Province (Co-PI with G.M. Plunkett)	\$120,000
2013-2015	Marisla Foundation: Ethnobotany and Conservation in Palau	\$100,000
2012-2014	Christensen Fund: Ethnobotanical research and Conservation in Southern Vanuatu (Co-PI with G.M. Plunkett)	\$80,000
2012-2013	National Geographic Society: Towards an Annotated Plant Checklist of The Republic of Palau	\$22,240
2011-2013	Marisla Foundation. Ethnobotany and Conservation in the Federated States of Micronesia and Palau	\$100,000
2012-2013	Gildea Foundation: Preparation and Publication of a Primary Health Care Manual for Palau	\$30,000
2010-2011	National Geographic Society: Floristic and ethnobotanical exploration in the Republic of Palau: The traditional villages of Ibobang and Oikull and the Rock Islands region	\$18,500
2011	Aetna Foundation: Improving Healthcare for Underserved Immigrant Latino Communities in New York City	\$25,000
2010-2011	United Hospital Fund: Cultural Competency Training for Health Care Professionals in Latino Ethnomedical Systems in New York City	\$50,000
2009-2012	United States Department of Agriculture: Enhancing Plant Science Education in the Bronx: Training the Next Generation of Botanists to Protect U.S. Natural Resources (Co-PI: NYBG subcontract from Lehman College/CUNY)	\$54,514
2009-2012	V. Kann Rasmussen Foundation. Biodiversity and Human Health in Micronesia	\$450,000
2009-2010	Germeshausen Foundation. Biodiversity and Human Health in Micronesia	\$50,000
2009-2011	Marisla Foundation. Ethnobotany and Conservation in the Federated States of Micronesia	\$100,000
2008-2012	The National Science Foundation. A Biodiversity Survey of Pohnpei and Kosrae Islands, Federated States of Micronesia; Understanding the Impact of Anthropogenic Disturbance on Plant, Fungal, and Stream Biodiversity (Co-PI with W. Law)	\$399,500

2008-2009	Marisla Foundation. Ethnobotany and Conservation in the Federated States of Micronesia	\$60,000
2007-2009	The Jacob and Valeria Langeloth Foundation. Dominican Ethnomedicine and Culturally Effective Health Care in New York City	\$238,421
2006-2008	V. Kann Rasmussen Foundation. Biodiversity and Human Health in Micronesia	\$750,000
2005-2007	MetLife Foundation. Implications for Healthy Aging-Phase II	\$30,000
2005-2007	Marisla Foundation. Ethnobotany and Conservation in the Federated States of Micronesia	\$60,000
2005-2009	National Institutes of Health/National Center for Complementary and Alternative Medicine. Dominican Herbal Medicine: Plants Used for Inflammation	\$549,223
2004-2005	MetLife Foundation. Implications for Healthy Aging	\$30,000
2004	Gildea Foundation. Micronesia Ethnobotany Project	\$35,000
2004	The New York Community Trust. Dominican Ethnomedicine and Culturally Effective Health Care in New York City	\$45,000
2004	United Hospital Fund. Dominican Ethnomedicine and Culturally Effective Health Care in New York City	\$50,000
2004	Homeland Foundation. Ethnobotany and Conservation in the Federated States of Micronesia	\$30,000
2002	Gildea Foundation: Micronesia Ethnobotany Project	\$40,000
2002	Homeland Foundation: Ethnobotany and Conservation in the Federated States of Micronesia	\$25,000
2002-2003	Metropolitan Life Foundation: Studies of Traditional Medicine and Health	\$100,000
2001-2003	The Educational Foundation of America: Herbal Therapies for Women's Health	\$120,000
2001-2003	The Overbrook Foundation: Ethnobotany and Conservation in the Federated States of Micronesia: An Integrative Approach to Understanding, Preserving, Utilizing and Teaching Traditional Knowledge in the Pacific Region	\$150,000
2001-2003	Merck & Co., Inc. Merck Research Laboratories: Plant Collection and Extraction Project (Dennis Stevenson Co-PI)	\$1,721,906
2000-2002	Gildea Foundation, Inc.: Micronesia Ethnobotany Project	\$45,000
2000	Center for Environmental Research and Conservation, Columbia University: Understanding Traditional Plant Use on Pohnpei: Impacts on Habitat Destruction, Biodiversity Loss, and Conservation Potential	\$ 16,828
2000	Gildea Foundation, Inc.: Ethnobotany of Micronesia	\$20,000
1999	Nature's Herbs, Twin Laboratories. Herbal Interventions for Women's Health Issues in the Urban Environment	\$10,000
1999-2001	Edward John Noble Foundation, Inc.: Support of the Use of Ethnobotanical and Ethnoecological Techniques for Monitoring Changes in Northeast Brazil	\$133,032
1998-2001	The Overbrook Foundation: Support for Ethnobotany of Micronesia	\$50,000

	Project	
1998	Nu Skin International, Inc.: Support for Local Community Development Project in Brazil	\$29,700
1998-1999	Pfizer Inc.: Collection and Extraction Research Plans and Budgets	\$250,000
1998-2000	Merck & Co., Inc. Merck Research Laboratories: Plant Collection and Extraction Project (Dennis Stevenson, Co-PI)	\$1,576,250
1998	Gildea Foundation: Support for Micronesia and Belize Projects	\$40,000
1997-1999	Edward John Noble Foundation: Linking Sustainable Utilization and Conservation of Plant Resources in Belize	\$60,000
1997	Gildea Foundation: Support of Micronesia and Belize Projects	\$40,000
1996	Gildea Foundation: Support of Micronesia and Belize Projects	\$20,000
1996	Man & The Biosphere Tropical Ecosystems Directorate: Support of Tri-National Activities in Central American Ethnobotany	\$5,000
1996	National Geographic Society: Ethnobotany in the Urban Environment: Alternative Therapies for Women	\$11,000
1996	Nu Skin International: Ethnobotanical Studies in the Urban Environment of Therapies for Women's Health Problems: A Pilot Study	\$5,000
1996-1998	NYBG/Pfizer Phytochemical Survey: Plant Collection & Extraction Program	\$899,710
1995	Gildea Foundation: Belize Video Project	\$10,000
1995-1997	Merck Research Laboratories: Collections & Extractions	\$1,306,216
1995-1996	Center for Environmental Research and Conservation, Columbia University: Ethnobotanical Studies in the Urban Environment of Therapies for Women's Health Problems	\$20,000
1994-1996	Edward John Noble Foundation: Ethnobotanical Studies in Brazil	\$90,000
1993-1996	Pfizer Inc.: Survey of the U.S. Flora for Pharmaceutical Products	\$2,000,000
1993-1996	Rockefeller Foundation: Project to Stimulate the Development of Local Capabilities in Neotropical Economic Botany	\$300,000
1993-1996	Metropolitan Life Insurance Foundation: Natural Products Research in the Tropics	\$150,000
1993-1994	Merck, Inc.: Natural Products Research Program	\$245,000
1992-1999	The John D. and Catherine T. MacArthur Foundation: Diversity of Botanical Resources in Belize	\$95,000
1992-1994	Edward John Noble Foundation: Ethnobotanical Studies in Belize, Ecuador and Venezuela	\$100,000
1992	New York Community Trust: Support for the Belize Ethnobotany Project	\$10,000
1992	Joyce Mertz-Gilmore Foundation: Support for the IEB Program, Alternatives to Deforestation	\$20,000
1992-1994	Merck Foundation: Support for the IEB Program, Alternatives to Deforestation	\$75,000
1991-1994	Nathan Cummings Foundation: Support for Ethnobotanical Research in Belize	\$60,000
1991-1994	Overbrook Foundation: Support for the Belize Ethnobotany Project	\$120,000

1991-1996	National Cancer Institute: Collection of Neotropical Rainforest Plants for Screening for Anti-cancer and Anti-AIDS Activity –NCI-CM-17515-30 (Co-PI; Douglas Daly, PI)	\$1,264,012
1991-1993	Rockefeller Foundation: Stimulating the Development of Local Capabilities in Neotropical Economic Botany – RF900073 #2	\$275,000
1990-1992	U.S. Agency for International Development: Economic and Biological Studies Related to the Development of Extractive Reserves in Ecuador–518-0780-G-00-0247-00	\$108,680
1990-1992	Edward John Noble Foundation: Ethnobotanical Studies in South America	\$50,000
1990-1992	Rex Foundation: Support for the Belize Ethnobotany Project	\$15,000
1990-1991	Joyce Mertz-Gilmore Foundation: Preparation of a Flora on the Palms of Brazilian Amazonia and Their Uses	\$20,000
1989-1993	Metropolitan Life Insurance Foundation: Tropical Plants as Potential Sources of Anti-AIDS Compounds	\$150,000
1989-1992	U.S. Agency for International Development: Application of a Novel Method for Selection and Domestication of Indigenous Plants Among Food Gatherers in Ecuador (Jacob Friedman, PI) DHR-5544-G-SS-9064-00	\$200,000
1989-1991	Boehringer Ingelheim: Natural Products Research	\$25,000
1988-1991	U.S. Agency for International Development: Useful plants and traditional healing systems in Belize–505-0035-G-OPG-8001-00	\$100,000
1988-1991	U.S. Agency for International Development: Improving management practices for biomass (fruit) production from native stands of babassu palms, and developing techniques for improving exploitation of this resource – DPE-5542-G-SS-8070-00	\$149,846
1986-1991	National Cancer Institute: Collection of Neotropical rainforest plants for screening for anti-cancer and anti-AIDS activity–N01-CM-67924	\$626,826
1987-1989	Joyce Mertz-Gilmore Foundation: Preparation of a flora on the palms of Brazilian Amazonia and their uses	\$20,000
1987-1989	U.S. Agency for International Development: Economic botany studies of the lowland tropical forest of Ecuador–LAC-0605-G-SS-7037-00	\$100,000
1987	Rockefeller Foundation: Support for publication of an annotated bibliography of useful palms	\$6,000
1986-1988	Joyce Mertz-Gilmore Foundation: Support of the babassu palm project	\$15,000
1984-1987	U.S. Agency for International Development: Forest palms as tropical tree crops: their agronomic improvement through application of germplasm collection, tissue culture techniques and mycorrhizal symbiosis–DPE-SS42-G-SS-4061-00	\$137,366
1984-1987	U.S. Agency for International Development: Economic botany and floristic studies of the lowland tropical forest of Ecuador–518-0023-G-00-4110-00-0605	\$182,253
1984-1985	Joyce Mertz-Gilmore Foundation: Support of the babassu palm project	\$10,000

1984-1986	Pittsburgh Foundation: Agronomic and ecological studies of babassu palms	\$27,000
1982	Rockefeller Foundation: Identification of Neotropical Sites for Palm Germplasm Banks	\$8,000
1981-1986	Rockefeller Foundation: Preparation of an Annotated Bibliography on Economic Palms–RF7023	\$15,750
1981-1985	U.S. Agency for International Development: Domestication of the Babassu Palm–DAN-SS42-G-SS-1089-00	\$184,724
1980-1981	Charles A. Lindbergh Foundation: Babassu an Economically Important Native Amazonian Palm and Its Role in the Rational Use of Tropical Forest Lands	\$8,890
1979-1980	U.S. Agency for International Development: Introduction of the <i>Jessenia-Oenocarpus</i> complex of palms as an agronomic crop for economic development in Latin America	\$10,215
1979-1980	National Science Foundation: Doctoral Dissertation Research in Systematic Biology–DEB 7918347	\$1,375

## HONORS

Dr. H. Marc Cathey Award for outstanding scientific research that has enriched horticulture and plant science. American Horticultural Society, Great American Gardeners National Award. 2020.

Mary W. Klinger Book Award for *Messages from the Gods: A Guide to the Useful Plants of Belize*, with Rosita Arvigo. Society for Economic Botany. 2018.

David Fairchild Medal for Plant Exploration, National Tropical Botanical Garden. 2018.

Elected as a Founding Member of the Daylight Academy, Zurich, Switzerland, May, 2017.

Doctor of Science, *Honoris Causa*, Lehman College, City University of New York, May 2014

President's Award for Outstanding Contributions to the Society for Economic Botany, 53<sup>rd</sup> Annual Meeting, Frostburg, Maryland. 2012

Distinguished Economic Botanist Award, Society for Economic Botany 50th Annual Meeting, Charleston, South Carolina. 2009

Accorded High Title of *Luhk en Kairoir Dolen Katau Nett*, Pohnpei, Federated States of Micronesia, 2009

Natural Products Association's 2007 Rachel Carson Award Environmental Award, Las Vegas, Nevada. 2007

John Simon Guggenheim Memorial Foundation Fellowship. 2005

International Scientific Cooperation Award, The American Association for the Advancement of Science. 2005

Frontiers of Science Awardee, Society of Cosmetics Chemists. 2001

Elected Fellow of The American Association for the Advancement of Science. 1999

Janaki Ammal Medal for Ethnobotany, Society of Ethnobotanists. 1999

Jean Andrews Centennial Visiting Professorship in Tropical and Economic Botany, University of Texas, Austin. 1997

American Library Association, Oberly Award for Bibliographic Excellence (in Agriculture and Related Sciences), for the publication, "Useful Palms of the World." 1991 (co-authored by H.T. Beck).

Metropolitan Life Insurance Company Fellowship. 1989-1992; 2000–2002  
 Elected Fellow of the Linnean Society (London). 1981  
 Charles A. Lindbergh Foundation Grant Recipient. 1980  
 George H. M. Lawrence Memorial Award. 1979  
 Sigma-Xi, The Scientific Research Society of North America, Associate Member,  
 Harvard Chapter, Chapter, 1976-1985. Elected to full membership, Columbia University Chapter,  
 1985-present.  
 Student Travel Award, American Association of Botanical Gardens and Arboreta. 1975  
 Outstanding Young Horticulturist of 1970, The Pennsylvania Horticultural Society.  
 Harvard Club of Delaware Scholarship. 1976-1980  
 Garden Club of Delaware Scholarship. 1975  
 Florists Transworld Delivery Scholarship. 1975

## TEACHING EXPERIENCE

2020-2023 Ethnobotany: A Practitioner’s Perspective. NYBG Adult Education Program, October-November, 2020; April-May, 2021, January-February, 2023 (virtual courses comprising 6 contact hours).

2016-present Botanical Medicine Course. Fellowship Program for Integrative Medicine Physicians Andrew Weil Center for Integrative Medicine, University of Arizona. Taught twice yearly.

1988-present ENVB W4086 – “Ethnobotany: The Study of People and Plants,” Spring term. Center for Environmental Research and Conservation, Columbia University (currently with A. McAlvay).

2014 Bio502- “Ethnobotany, The Study of People and Plants,” Fall term, Macaulay Honors College, Lehman College (with I. Vandebroek).

1997-2002 New York University, Plant Resources II: Economic Botany and the Global Environment Lecture Series, Spring term, “Essential Oils, Perfumes and the Nutraceutical Industry.” (Team taught, 1 lecture)

1996-2007 Faculty Member, Botanical Medicine in Modern Clinical Practice, One Week Continuing Medical Education (CME) Course, Columbia University College of Physicians & Surgeons, taught annually in May

1981-2001 Forestry and Environmental Science 583B—“Botanical Resources of the Tropics,” Spring term. School of Forestry and Environmental Studies, Yale University

1985-1994 Bio. U792.01 – “Economic Botany (Advanced Study,” Fall term. City University of New York

1982, 1986, 1989, 1991 Botany 220 – “Economic Botany,” The New York Botanical Garden Education Program

1979-1980 “Management of Technological Innovation in Agriculture,” co-organizer of non credit seminar course offered at the Harvard Graduate School of Business

1978-1979 Biology 104 – “Plants and Human Affairs,” Spring term. Teaching Fellow, Harvard University

- 1978-1979 Biology E104C – “Foods and Beverages: Their Botany, Chemistry, and Role in Human Affairs,” Fall term. Course Assistant, Harvard University
- 1976-1977 Biology 104 – “Plants and Human Affairs,” Fall term. Teaching Fellow, Harvard University
- 1975-1976 Biology: Extension course – “The Importance of Plant Chemistry in Human Affairs,” Spring term. Course Assistant, Harvard University
- 1975-1976 Biology: Extension course – “Plants and Human Affairs,” Fall term. Teaching Assistant, Harvard University

### **POSTDOCTORAL, DOCTORAL, MASTERS AND INTERNATIONAL FELLOWSHIP STUDENTS: ADVISOR OR COMMITTEE MEMBER**

Luis E. Forero P. (Palms) 1982; Claudio U.B. Pinheiro (palms, economic botany) 1986; Anna Arguello (palms, economic botany) 1987; Marc Baker (Post-doc, economic botany) 1987; Andrew Henderson (palms) 1987; Steven R. King (economic botany) 1988; Bradley C. Bennett (Post-doc, economic botany) 1988-92; Hans T. Beck (systematics, economic botany) 1991; N. Hasegawa (Molecular Systematics of Ranunculaceae) 1992; Miguel Alexiades (economic botany) 1997; Claudio U.B. Pinheiro (palms, economic botany) 1997; Flor Chavez (palms, economic botany) 1997; Alfredo Gomez-Beloz (ethnomedicine) 2000; Andreana Ososki (ethnobotany) 2004; Sarah Khan (ethnomedicine) 2006; Ryan Huish (ethnomedicine) 2009; Jillian DeGezelle (ethnomedicine) 2013; Lisa Offringa (ethnomedicine) 2013; Jon Ferrier (natural products chemistry and ethnomedicine) 2013; Fabiana Fonseca (Post-doc 2013); C. Kitalong (natural products chemistry and ethnomedicine) 2014; Daniel Kulakowski (natural products chemistry and ethnomedicine) 2014; C. Tipton (ethnobotany [on leave]); R. Wolkow (ethnomedicine [dropped]); Taylan Morcol (ethnobotany, natural products chemistry (2021)); Lan Truong (ethnomedicine (2022)); Ashley McGuigan, University of Hawaii, ethnoecology [2022].

### **SYMPOSIA AND CONFERENCES ORGANIZED**

- Daylight Academy, Annual Conference, Lausanne, Switzerland. Perspectives on Daylight and Health in Traditional Societies of Oceania. June 2, 2023 (Keynote with K. David Harrison).
- Daylight Academy, Annual Conference, Zurich, Switzerland. Workshop on “The Impact of Daylight in Biology and Medicine. February 25, 2022. (with Heinrich Walt and K. David Harrison).
- Daylight Academy, Annual Conference, Zurich, Switzerland. Workshop on “The Impact of Daylight in Biology and Medicine. November 2019. (with Heinrich Walt).
- Society for Economic Botany, Annual Meeting, Bragança, Portugal. Workshop on publishing economic botany topics. June 2017. (with Ina Vandebroek)
- International Congress on Natural Products Research, American Society of Pharmacognosy. New York City, July 28-August 1, 2012. (Scientific Organizing Committee member and Co-

Organizer with Barbara Timmerman of Symposium on Ethnobotanical Research and Development)

Annual Symposium on Ethnomedicine, Conservation and Clinical Research, Alan G. Johnson Memorial Symposium on Ethnomedicine, Health, and Environmental Conservation, Costa Rica 2007, 2008, 2009, 2010 (Organizer)

Traditional Knowledge in the 21<sup>st</sup> Century. AAAS Annual Meeting” Grand Challenges, Great Opportunities, “The Erosion of Traditional Knowledge and The Impact of Its Loss.” Ancient Wisdom and Contemporary Science:” St. Louis, MO. 2006. (Co-organizer)

Discussion and Commentary on Ethnobotany, U.S. National Committee, International Union of Biological Sciences: Internet Symposium ([www4.nas.edu/usnc/home.nsf](http://www4.nas.edu/usnc/home.nsf)) 1998.

Botanical Medicine in Modern Clinical Practice, The Columbia University College of Physicians & Surgeons at The Columbia-Presbyterian Medical Center, 1997-2002 (Course co-organizer and lecturer), “Ethnobotany and pharmaceuticals from tropical forests.”

Society for Economic Botany 27th Annual Meeting Symposium: Palms—Biology, Utilization and Conservation. The New York Botanical Garden, Bronx, New York, June 13-16, 1986 (Symposium Organizer, Meeting Co-organizer).

CENARGEN/EMBRAPA/UEPAE-Teresina: International Workshop on Babassu Palm Research Activities, Teresina, Piauí, Brazil, March 10-15, 1986 (Co-organizer).

Interciencia/Colciencias: Workshop on promising oil crops, Bogotá, Colombia, November 4-6, 1985 (Vice President).

FAO/CATIE: Workshop on Underutilized Palms of Tropical America, Turríalba, Costa Rica, August 8-10, 1983 (Co-organizer).

American Association of Botanical Gardens and Arboreta Annual Meeting: Ethnobotany Symposium, Columbus, Ohio, June 17, 1992 (Symposium Organizer; Member of Program Committee).

Ciba Foundation Meeting: Ethnobotany and the Search for New Drugs. Fortaleza, Brazil. November 30-December 2, 1993.

Society for Economic Botany Annual Meeting Symposium: "New Directions in Ethnobotany." Fairchild Tropical Garden, Miami, Florida, June 23-27, 1993.

Society for Economic Botany Annual Meeting Symposium: “Pacific Island Ethnobotany.” With Will McClatchey, Botanical Research Institute of Texas, June 5, 2005.

## SELECTED INVITED SEMINARS AND PRESENTATIONS

- 1978 "The biology and economics of the *Oenocarpus*—*Jessenia* Palm Complex." Botanical Museum of Harvard University, Cambridge, Massachusetts.
- 1980 "*Jessenia bataua* and *Oenocarpus* species: Native Amazonian palms as new sources of edible oil." Presented at the symposium "New Sources of Fats and Oils," International Society for Fats/Research/American Oil Chemists Society (ISF/AOCS) World Congress, New York.
- 1981 "Research prospects and opportunities for Amazonian palms." Museu Paraense Emilio Goeldi, Belém, Pará, Brazil.
- 1983 "Useful palms of Amazonia: germplasm conservation and research priorities." Centro Nacional de Recursos Genéticos, CENARGEN/EMBRAPA, Brasília, Brazil.
- 1983 "Prospects for the domestication of the *Oenocarpus*–*Jessenia* palm complex", and "Advances in Babassu palm research." FAO symposium on underutilized Neotropical palms, Turrialba, Costa Rica.
- 1983 "A Report on progress in studies of the Babassu palm complex." Society for Economic Botany Annual Meeting, Gainesville, Florida.
- 1984 "Palms and development in the humid tropics." Invited seminar, First Symposium on the Humid Tropics, Belém, Brazil.
- 1985 "O complexo *Jessenia/Oenocarpus* (Palmae): sistemática, etnobotânica e potencial para domesticação," and "O que é Babaçu." XXXVI Congresso Nacional de Botânica, Botanical Society of Brazil, Curitiba, Paraná, Brazil.
- 1985 "Palms and progress: genetic resources for Brazilian development." Cornell University, International Agriculture 650, Agriculture and Biomass Resource Development: The Case of Brazil.
- 1985 Ethnobotany of New World palms." Cornell University, Economic Botany course taught by Dr. David Bates.
- 1985 "Amazonian Indians and their useful palms." Biology seminar series, Connecticut College, New London, Connecticut.
- 1985 "Palms, people and progress." New England Botanical Club, Yale University, New Haven, Connecticut.
- 1985 "Perspectives on the rational utilization of the *Oenocarpus*-*Jessenia* (Palmae) complex." Workshop on Promising Native Oil Plants, Programa Internacional de Recursos Bioticos, Interciencia Association, Bogota, Colombia.
- 1985 "Babassu (*Orbignya* sp.) palm complex: systematics and utilization." Seminar series, New York Botanical Garden, Bronx, New York.
- 1985 "Hybridization in the Babassu (*Orbignya*, *Attalea*, *Maximiliana* spp.) palm complex," and "ethnobotanical utilization of Babassu palms." International Workshop on Babassu Palm Research Activities, Teresina, Piauí, Brazil.
- 1986 "Ethnobotany of the Guajajara and Apinayé Indians of Northeastern Brazil." Palm Symposium, Society for Economic Botany, Annual Meeting, New York Botanical Garden, Bronx, New York.
- 1987 "Hybridization in Neotropical palms." International Palm Symposium. L. H. Bailey Hortorium, Cornell University, Ithaca, New York.
- 1987 "Tropical deforestation and economic botany alternatives." Institute of Ecosystem

- Studies, The Mary Flagler Cary Arboretum, Millbrook, New York.
- 1987 "Neotropical palms as new sources of food, fuel and raw materials for industry and development." University of Southampton, England, International Symposium on New Crops for Food and Industry.
- 1987 "Mayan medicine in the 20th Century." The Environmental Center, Belize City, Belize.
- 1987 "Ethnobotanical studies in the tropical rain forest and the search for anti-cancer agents." New York Rainforest Alliance Symposium, New York, New York.
- 1988 "Ethnobotany and its implications for modern medicine." American Association of Botanical Gardens and Arboreta Annual Meeting, Phoenix, Arizona.
- 1988 "Scholarly research in botanical gardens and arboreta." Symposium on Scholarly Research in Museums, Ninth Annual Museum Studies Conference, University of Delaware, Newark, Delaware.
- 1989 "The tropical forest, ethnobotany and the search for modern medicine." Haverford College, Haverford, Pennsylvania.
- 1989 "Systematics and economic botany of *Orbignya*." Bailey Hortorium, Cornell University, Ithaca, New York.
- 1990 Biological conservation: the case of the world's rarest palm, *Attalea crassispatha*. "International Conflict and Cooperation: Environmental Security in the 1990's," University of Wisconsin.
- 1990 "Perspectives on the role of the ethnobotanist in pharmaceutical research." New York Zoological Society.
- 1990 "Ethnobotany and the identification of therapeutic agents from the rain forest." CIBA Foundation Symposium on Bioactive Compounds from Plants. Bangkok, Thailand.
- 1990 "The tropical forest, ethnobotany and the search for modern therapeutics," Morris Arboretum, Philadelphia; North Carolina State University (July 17, 1990); Scott Arboretum, Swarthmore, PA (September 10, 1990); Lederle Laboratories, New Jersey (April 23, 1991).
- 1990 "An overview of palm germplasm research employing tools from molecular biology," CENARGEN, Brasilia, Brasil.
- 1991 "Ethnobotanical Research and Perspectives on the Issue of Compensation." Environmental Defense Fund–Rainforest Alliance Workshop.
- 1991 "Medicinal plants and the conservation of tropical biodiversity." American Museum of Natural History–Rainforest Alliance Workshop.
- 1991 "Tropical conservation: the case of *Attalea crassispatha* in Haiti," Annual Meeting, American Association of Botanical Gardens and Arboreta.
- 1991 "The potential of the tropical rain forest as a source of new pharmaceutical products." Sterling Drugs, Pennsylvania.
- 1991 "Ethnobotany and the search for modern medicine." NYBG Symposium "Plants for Health and Healing—Their Role in Modern Medicine".
- 1991 "The tropical rain forest and the search for plants that heal." Bartlett Arboretum.
- 1991 "The role of the NCI in drug development (for G. Cragg)." IEB/Rainforest Alliance Symposium: Tropical Forest Medical Resources and the Conservation of Biodiversity.
- 1992 "Ethnobotany and the search for modern therapeutics." Lehman College,

- Department of Biological Sciences Seminar.
- 1992 "Progress in the NCI collection program" including panel discussion on the ethics of this issue, NCI Contractors Meeting, Frederick, Maryland.
- 1992 "The tropical rain forest, ethnobotany and the search for modern medicine." Princeton University. Special Lecture Series for the Columbian Quincentenary.
- 1992 Symposium on biodiversity conservation and development, "Ethnobotany, drug development and conservation of biodiversity." Penn State University, Pennsylvania.
- 1993 "Ethnobotany and the tropical rain forest—the search for modern medicines," Chicago Botanic Garden, Zimmerman Lecture Series.
- 1993 "Linking ethnopharmacology and conservation in Belize." Harvard University, OEB Seminar Series.
- 1993 "Conservation and preservation of medicinal plants." Morris Arboretum, WHO Medical Plant Symposium.
- 1993 "Ethnobotany and conservation in Belize." The Nature Conservancy of Texas, 1993 Annual Meeting, Keynote Speaker.
- 1993 "Valuation of extractive medicine from tropical forests—implications of conservation." Princess Science Congress II, Bangkok, Thailand.
- 1993 "Ethnopharmacology and tropical forest conservation—is there a link?." Royal Botanic Garden, Kew, U.K. Chapter of the Society for Economic Botany.
- 1993 "Ethnobotany and the search for new pharmaceuticals in tropical forests." Tulane University, Graduate Anthropology Colloquium.
- 1994 "Ethnopharmacology and conservation in Belize." Vassar College, Tropical Biology Seminar.
- 1994 "Linking modern medicine, ancient healing and conservation in the tropical forests of Belize." Central Westchester Audubon Society.
- 1994 "Linking traditional healing and tropical forest conservation in Belize." The New York Botanical Garden Healing Plants Symposium.
- 1994 "Ethnobotany and conservation in the rain forests of Belize." The Belizean Cultural Society of New York.
- 1994 "A new market—trees for medicine?" Menninger Sunbelt Tree Conference, Orlando.
- 1994 "Linking ethnopharmacology and conservation in the rain forest of Belize." Buffalo Medicinal Chemistry Symposium.
- 1994 "Primary health care and pharmaceutical prospecting." Metropolitan Life Insurance Company Officer's Lunch.
- 1994 "Good botanical practices" in botanicals: a role in U.S. health care? NIH Office of Alternative Medicine in Cooperation with the U.S. Food and Drug Administration, Washington, D.C.
- 1995 "Uncovering ancient remedies in the tropical rain forest." Delaware Center for Horticulture, Wilmington, Delaware.
- 1995 "Ancient wisdom and modern medicine: the search for new therapies in the tropical rain forest." Sasqua Garden Club, Southport, CT.
- 1995 "Consequences of extinction" a panel, in "The living planet in crisis: biodiversity science and policy." American Museum of Natural History Center for Biodiversity and Conservation, New York.

- 1995 "Ethnobotany for the new millennium" Keynote Address for "Biodiversity: Keystone of Life," Annual Systematics Symposium. Missouri Botanical Garden, St. Louis, Missouri.
- 1995 "Ethnopharmacology and tropical forest conservation in Belize." Kansas Academy of Science, Pittsburgh State University, Pittsburgh, Kansas.
- 1995 "Ethnobotany, conservation and corporate responsibility." Mitsubishi International Corporation, New York.
- 1995 "Ancient wisdom and modern medicine." Greenwich Garden Club, Greenwich, Connecticut.
- 1995 "Richard Evans Schultes: life of a legend." Botanical Research Institute of Texas, Fort Worth, Texas.
- 1995 "Ethnomedicine and modern health care." Memorial Sloan-Kettering Cancer Center, New York.
- 1995 "Ethnobotany, biodiversity prospecting and conservation in Belize" The Botanical Garden of Smith College, Northampton, Massachusetts.
- 1996 "Traditional healers and herbal remedies." Herb Society of America, New York.
- 1996 "Assessment of future activities in the rain forest biome." Biodiversity Cycle Working Group, Research Program Review and Planning Meeting, Biosphere 2, Oracle, Arizona.
- 1996 "Ethnopharmacology and tropical forest conservation in Belize." Adelphi University, Garden City, New York.
- 1996 "Drug discovery in the rain forest." Bronx-Lebanon Hospital Center, Bronx, New York.
- 1996 "Ethnobotany and pharmaceutical prospecting in tropical forests." Continuing Medical Education Course, Herbal Medicine and Your Health, Columbia University College of Physicians and Surgeons, New York.
- 1997 "The ethical issues in ethnobotanical research." The Ethical Society of Northern Westchester, Ossining, New York.
- 1997 "Studies of plants and people in Belize." The Conservancy of Southwest Florida, Naples, Florida.
- 1997 "Studies of plants and people in Belize." The Barbara Cushing Paley Horticultural Seminars, The New York Botanical Garden.
- 1997 "Learning from the rain forest: plants, people and culture." The NYBG Conservatory Lecture Series, The Rockefeller University.
- 1997 "Ethnobotany and conservation in Belize." Wesleyan University, CT.
- 1997 "Public health related activities of the Institute of Economic Botany." Columbia University, NY.
- 1997 "Linking traditional medicine and forest conservation in Belize." "Ethnobotany of New World palms;" and "Traditional healers in Belize—educating the next generation." The Jean Andrews Centennial Visiting Professorship in Tropical and Economic Botany, The University of Texas at Austin, Austin, Texas.
- 1997 "Ethnomedical studies in the urban environment." The New York Times, NY.
- 1997 "Linking ethnomedicine and conservation in Belize." The Newark Museum, Newark, NJ
- 1997 "The importance of the tropical forest as a source of modern therapeutic drugs." National Catholic Franciscan Sisters of Poor Health Care System.

- 1997 “NYBG’s role in the development of therapeutic drugs.” Cancer Information Service, New York City.
- 1997 “Ethnobotany and conservation in Belize.” Easton Garden Club and the Friends of the Easton Public Library, Easton, CT.
- 1997 Radio show, “Revealing secrets for mind and body.” Interview on Medicinal Plants.
- 1997 “New ethnobotany project in Micronesia.” Botanical Science Committee and Library Visiting Committee, The New York Botanical Garden, Chase Manhattan Bank, NY.
- 1997 “Ancient wisdom and modern medicine: the search for new therapies from the tropical rain forest.” Adelphi University, Garden City, NY.
- 1997 “Ancient wisdom and modern Medicine.” The Southampton Garden Club, New York
- 1998 “Linking ethno-medicine and conservation in the tropical forest.” Contemporary Club of Albemarle, Charlottesville, VA.
- 1998 “Plants, people and culture: the science of ethnobotany and tropical rain forests.” Department of Ecology, Evolution and Natural Resources, Cook College, New Brunswick, New Jersey, Distinguished Lecturer Series Seminar.
- 1998 “Ethnobotany, drug development and conservation: exploring the linkage.” Shaman Pharmaceuticals, Inc., San Francisco, CA.
- 1998 “Ancient wisdom and modern medicine.” New England Science Center, 130<sup>th</sup> Annual Meeting of the Worcester Natural History Society, Worcester, MA.
- 1998 “Plants, people and culture: linking ethnobotany, conservation and traditional medicine in the tropical rain forest.” Santa Barbara Botanic Garden, Second Annual Vernon Cheadle Memorial Lecture, Santa Barbara, CA.
- 1998 “Plants, people and culture: the science of ethnobotany.” Department of Biology, University of Utah, Salt Lake City, UT.
- 1998 “Ethnobotany and conservation in Belize.” Red Butte Garden and Arboretum, University of Utah, Salt Lake City, UT.
- 1998 “Ethnobotany and pharmaceuticals from tropical forests.” Botanical Medicine in Modern Clinical Practice, The Columbia University College of Physicians and Surgeons at the Columbia-Presbyterian Medical Center, New York.
- 1998 “Human impacts on the environments of Brazilian Amazonia: does traditional ecological knowledge have a role in the future of the region?.” Centre for Brazilian Studies, University of Oxford, Oxford, England, an International Conference.
- 1998 “The role of plants in medicine: past, present and future.” The Royal Society of Medicine, Medicines from Nature: Scientific, Legal and Ethical Aspects, London, England.
- 1998 “Ancient wisdom and modern medicine.” Today’s Horticulture at Longwood Gardens, Chanticeer Foundation, Wayne, PA.
- 1999 “Ancient wisdom and modern medicine: Ethnobotany of Belize.” The Garden Club of America, New York, N.Y.
- 1999 “Ethnobotany and conservation in the tropics.” Leadership Conference, Nu Skin International, Salt Lake City, Utah.
- 1999 “Women’s health studies on herbal medicines in New York City.” Richard and Hinda Rosenthal Center for Complementary and Alternative Medicine, Columbia

- University College of Physicians and Surgeons, New York, N.Y.
- 1999 “The healing herbs.” SUNY Rockland Community College, Suffern, N.Y.
- 1999 “Ethnobotany and cultural conservation.” Seed Seminar Series, Nightingale-Bamford School, New York, N.Y.
- 1999 “The study of bioactive compounds from Belize: Linking Ethnomedicine, Floristics, Biodiversity Conservation, and Education.” International Conference on Ethnomedicine and Drug Discovery, Silver Spring, MD.
- 1999 “Searching for, evaluating, and cultivating new botanicals: New Responsibilities for Industry.” The Cosmetic, Toiletry, and Fragrance Association Science Conference, Boston, MA.
- 2000 “Effectiveness of herbals in western medicine: beliefs and proofs.” The Science Center of Eastern Connecticut, New London, CT.
- 2000 “Ancient wisdom and modern medicine: lessons from the rain forest.” Symposium on Integrative Medicine: Foundation for the Advancement of Innovative Medicine Education Fund, Oradell, NJ.
- 2000 “Ancient wisdom and modern medicine: The search for new therapies in the tropical rain forest.” University of Pennsylvania, Institute for Environmental Studies, Philadelphia, PA
- 2000 “Ancient wisdom and modern medicine: ethnobotany, conservation and therapies of the tropical rain forest.” Distinguished Lecture Series for 1999–2000, Botanical Research Institute, Forth Worth, Texas.
- 2000 “Healing herbs: ethnobotany of medicinal plants.” Walt Disney World, Orlando, Florida.
- 2000 “Between plants and people.” Penn State Berks-Lehigh Valley, College, PA.
- 2000 “The economic, medicinal & cultural impact of the loss of the rain forest.” University of Connecticut at Avery Point, Groton, CT.
- 2000 “Ancient wisdom and modern medicine: ethnobotanical exploration in Central America and the Pacific.” The Arboretum of Los Angeles County, Arcadia, California.
- 2001 “Plants, people and culture: the science of ethnobotany.” Trinity School, Science Department Faculty, New York, N.Y.
- 2001 “Ethnobotanical and floristic research in Belize—accomplishments, experiences, and challenges.” Building Bridges with Traditional Knowledge II: An International Summit Meeting on Issues Involving Indigenous Peoples, Conservation, Sustainable Development and Ethnoscience, University of Hawaii, Honolulu, Hawaii.
- 2001 “Ethnobotanical studies and educational opportunities.” National Institutes of Health/Peabody Biodiversity and Human Health Program, Peabody Museum of Natural History, Yale University, New Haven, CT.
- 2001 “Ancient wisdom for contemporary healing.” From Plants to Medicines: Honoring our Relationship to Nature’s Pharmacy, 12<sup>th</sup> Annual Symposium of the American Herbalists Guild, Helen, GA. (Plenary address)
- 2001 “Plants, People, and Culture: The Science of Ethnobotany.” Long Island University, Arnold & Marie Schwartz College of Pharmacy and Health Sciences.
- 2001 “Ancient wisdom for modern times: an ethnobotanist’s perspectives on the cosmetics industry.” Frontiers of Science Award Lecture, Society of Cosmetic Chemists, New York, N.Y.

- 2002 “Ancient wisdom and modern medicine: ethnobotany, conservation, and therapies of the tropical rain forest.” The Power of Herbs: Tenth Anniversary Weekend Celebration, The New York Botanical Garden, Bronx, N.Y.
- 2002 “The globalization of ethnomedicine.” Health Care Education in the Developing World: Bridging Global and Local Health Care Practices, Harvard Health Caucus at the Harvard Medical School, Boston MA
- 2002 “Ancient wisdom and modern medicine: plants, people, and culture. The Therapeutic Relationship, Scientific, Cultural and Personal Perspectives.” The Sixth Annual Alternative Therapies Symposium and Exhibition, San Diego, CA.
- 2002 “Ancient wisdom, modern medicine.” Chappaqua Library, Chappaqua, New York.
- 2002 “Ethnobotany and pharmaceuticals from tropical forests.” Botanical Medicine in Modern Clinical Practice, Columbia University College of Physicians & Surgeons at Columbia-Presbyterian Medical Center, New York, New York.
- 2002 “Ethnomedicine and the environment.” Society of Environmental Journalists 12<sup>th</sup> Annual Conference, Baltimore, Maryland.
- 2003 “Traditional knowledge: lessons from the past, lessons for the future.” Conference on Biodiversity, Biotechnology and the Protection of Traditional Knowledge, Washington University, St. Louis, Missouri.
- 2003 “Ancient wisdom and modern medicine: ethnobotany, conservation and therapies of the tropical rain forest.” The Healing Power of Herbs, The New York Botanical Garden, Bronx, New York.
- 2003 “Urban ethnobotany: plants, people and culture in New York City.” Biodiversity and the Empire State: Conserving our Landscapes, The Nature Conservancy and The Center for Environmental Research and Conservation at the Earth Institute, Columbia University, New York.
- 2003 “Ancient Wisdom and Modern Medicine: Plants, People, and Cultures in the Tropical Rainforest.” Cantor Arts Center, Stanford University, Stanford, CA.
- 2004 “Nature’s Subsidy: A Current Perspective on Plants and the Healing Process.” Plants and Your Health, The New York Botanical Garden, Bronx, New York.
- 2004 “Ancient Wisdom and Modern Medicine: Plants, People, and Cultures in the Tropical Rainforest.” Copeland Lecture, Delaware Center for Horticulture, Wilmington, Delaware.
- 2004 “Ethnomedicine and Ethnobotany: A Consideration of Their Potential Contribution to the Development of CAM.” National Center for Complementary and Alternative Medicine, Bethesda, MD.
- 2005 “Ancient Wisdom and Modern Medicine: Rainforest Remedies.” Valencia Community College, Orlando, Florida.
- 2005 “Plants, People and Culture: The Science of Ethnobotany,” Department of Biology and Curriculum in Ecology Seminar;“ and “Ancient wisdom and modern medicine,” public lecture. University of North Carolina at Chapel Hill, NC.
- 2005 “Exploring Ancient Wisdom and Traditional Healing in Micronesia.” Botanical Research Institute of Texas, Fort Worth, Texas.
- 2005 “Ancient Wisdom and Modern Medicine: Examining the Value of Traditional Healing in Contemporary Patient Care.” Strang Cancer Prevention Center, Weill College of Cornell University, New York.
- 2005 “*Piper methysticum* (Sakau) and its cultural use in Pohnpei.” Society for Economic

- Botany Annual Meeting, Botanical Research Institute of Texas.
- 2005 “Ancient Wisdom and Modern Medicine: Plants, People and Culture in the Tropical Rainforest.” Rainforest Alliance, New York City.
- 2006 “Ancient Wisdom, Modern Science: Biodiversity and Cultural Conservation in Pohnpei, Micronesia.” Briefings from the Field, The New York Botanical Garden, Sotheby’s, New York City
- 2006 “Ancient Wisdom and Modern Medicine: Plants, People, and Cultures in the Tropical Rainforest.” The Plant Biology Seminar Series. Rutgers University – Cook College, New Brunswick, New Jersey.
- 2006 “Ancient Wisdom and Modern Medicine: Plants, People, and Cultures in the Tropical Rainforest.” Cornell University, Cooperative Extension, Westchester County, Valhalla, New York
- 2006 “The Erosion of Traditional Knowledge and The Impact of Its Loss.” Ancient Wisdom and Contemporary Science: Traditional Knowledge in the 21<sup>st</sup> Century. AAAS Annual Meeting” Grand Challenges, Great Opportunities,” St. Louis, MO.
- 2006 “Ancient Wisdom, Modern Practices: Ethnomedical Studies and Conservation in Belize.” Maya Shamans, The 24<sup>th</sup> Annual Maya Weekend. The University of Pennsylvania Museum of Archaeology and Anthropology, Philadelphia, PA.
- 2006 “Ancient Wisdom and Modern Medicine: Plants, People, and Cultures in the Tropical Rainforest.” United States National Herbarium, National Museum of Natural History, Smithsonian Institution, Washington, D.C.
- 2006 “Bioprospecting in the Cragg Era: Accomplishments and the Road Ahead.” Legal and Ethical Issues: From the Convention on Biological Diversity to Conservation, Realizing Nature’s Potential: The Once and future King of Drug Discovery, A Symposium Honoring the Lifetime Achievements of Dr. Gordon Cragg of the National Cancer Institute, The William L. brown Center of Plant Genetic Resources and The Missouri Botanical Garden, St. Louis, MO
- 2006 “Ethnobotany and The Development of Phytopharmaceuticals.” MB&B 230 Rainforest Expedition and Laboratory, Spring/ Summer Semester, Yale University
- 2007 “Evening with Ethnobotanists.” The Public Face of Ethnobotany, Ethnobotany Summit, The National Tropical Botanical Garden (NTBG), Kauai, Hawaii.

## DOCTORAL DISSERTATION

The Biology and Economics of the *Oenocarpus–Jessenia* (Palmae) Complex. A study of the systematics, ethnobotany, nutrition, growth and economics of the domestication of two genera of Neotropical Palms. Richard Evans Schultes, Advisor, Department of Biology, Harvard University, 1980.

## DATABASES AND WEBSITES

Developed jointly with H. T. Beck, the PALM-USE database on economic palms of the world, indexed by product, use and genus. Primary users are scientists in tropical countries working on palm domestication or extractive production who have limited access to the literature. Funded by the Rockefeller Foundation and Andrew W. Mellon Foundation.

Flora of Vanuatu. Vanuatu National Herbarium, *Plants mo Pipol*. [The Flora of Vanuatu \(pvnh.net\)](http://www.pvnh.net). Contributor.

New Pohnpeian-English Online Dictionary. [New Pohnpeian-English Online Dictionary](http://www.newpohnpeian.com)© ([hawaii.edu](http://hawaii.edu)). Botanical Consultant.

Vanuatu Talking Dictionaries™ and Plant Lexicons for Aneityum, Futuna-Aniwa, Lenakel, Nafe, Naka, Newai and Raga languages. [Vanuatu Talking Dictionaries and Plant Lexicons \(swarthmore.edu\)](http://www.swarthmore.edu). Botanical Consultant.

## PATENT

Hetero-substituted cyclic lactone analogues and uses thereof. Guzman, M.L., Compadre, C.M., Ordonez, P., Martinez, M., Balick, M.J., Jones, D.E. Gaudio, F.G.. June 1, 2021. US Patent Number 11,021,488.

## COMMITTEE AND RELATED PROFESSIONAL SERVICE

Board of Trustees, American Botanical Council, 1996-present.  
Advisory Committee, William L. Brown Center, Missouri Botanical Garden, 2012-present.  
Board of Trustees, Sacred Seeds Foundation, Costa Rica, 2010-2019.  
Editorial Advisory Board Member, [Pharmaceutical Crops](http://www.pharmaceuticalcrops.com), 2010-2018  
Contributing Editor, [Explore: The Journal of Science and Healing](http://www.explorejournal.com), 2004-2019  
Associate Editor, [Journal of Economic Botany](http://www.journalofeconomicbotany.com), 2000-present  
Associate Editor, [Alternative Therapies in Health and Medicine](http://www.alternativetherapies.com), 2001-present  
International Advisory Board, [Journal of Tropical Medicinal Plants](http://www.journaloftropicalmedicinalplants.com); 2000-2019  
Editorial Board, [Fitoterapia](http://www.fitoterapia.com); 1999-2015  
Guest Editor, [Advances in Economic Botany](http://www.advancesineconomicbotany.com); 2019-2020.

Expert Panel Member, Research on Botanical Medicines. National Institutes of Health, 2013  
Associate Editor, The Journal of Alternative and Complementary Medicine, 1997-2003  
NYBG Biodiversity Convention Officer, 1997-2005  
Editorial Board, Elaeis, Palm Oil Research Institute of Malaysia, 1997-2005  
Board Member, Teatown Lake Reservation, Inc., 1997-2001  
Scientific Advisory Board, Richard and Hinda Rosenthal Center for Complementary & Alternative Medicine, Columbia University, 1996-2007.  
Board of Advisors, Indic Traditions of Healthcare, Dharam Hinduja Indic Research Center, Columbia University, 1996-2000.  
Member, US National Committee for the International Union of Biological Sciences, 1995-2000.  
National Genetic Resources Advisory Council, U.S. Department of Agriculture, 1995-1996.  
Advisory Board, The Botanical Organization and Mae Sa Botanic Garden, Thailand, 1992-2008.  
President, Society for Economic Botany, 1992-1993.  
Council Member, Society for Conservation Biology, 1992-1995.  
Editor, Columbia University Press series, Biology and Resource Management, 1990-2010.  
Chairman, Ix Chel Tropical Research Center, Ltd., Belize, 1990-2001.  
Council Member, Society for Economic Botany, 1984-1986; 1987-1991.  
Review Editor, Journal of Ethnopharmacology, 1990-present.  
Associate Editor, Advances in Economic Botany, 1990-1998.  
Member, Conservation Committee, American Association of Botanical Gardens and Arboreta, 1989-1993.  
Member, Advisory Committee, Las Cruces Tropical Botanical Garden, San Vito, Costa Rica (OTS), 1989-1996.  
Advisory Committee on Technology Innovation (ACTI) of the Board on Science and Technology for International Development (BOSTID), National Research Council, 1988-1990.  
Chairman, Palm Specialist Group, 1991-1997; Species Survival Commission of the International Union for the Conservation of Nature (IUCN); Member, Ethnobotany Specialist Group, 1981-1990.  
Scientific Advisory Board, Society for Protection of Nature in Israel, U.S. Chapter, 1988-1995.  
Plant Registration Committee, American Association of Botanical Gardens and Arboreta, 1980.  
Member, Board of Directors, American Association of Botanical Gardens and Arboreta, 1984-1986.  
Book Review Editor, American Association of Botanical Gardens and Arboreta for: Newsletter and Public Gardens, 1981-1986.  
Coordinator, Summer Student Placement Service of the Education Committee, American Association of Botanical Gardens and Arboreta, 1974-1977.  
Plant Collector, Ein Gedi Field School, Israel, 1973.  
Paralegal Assistant, Community Legal Aid Society, Wilmington, Delaware, 1971-72.  
Vice President, Student Coalition for the Environment, University of Delaware, 1970-71.
